### **Limited Warranty**

This software package is sold **AS IS**, without warranty as to its performance. The entire risk as to the quality and of the performance of this computer software program is assumed by the user.

However, to the original purchaser only, **Engineering Software** warrants the medium on which the program is recorded to be free from defects in materials and faulty workmanship under normal use and service for a period of thirty (30) days from the date of purchase. If during this period a defect on the medium should occur, the medium may be returned to **Engineering Software** or to an authorized **Engineering Software** distributor and **Engineering Software** will replace the medium without charge to you. Your sole and exclusive remedy in the event of a defect is expressly limited to replacement of the medium as provided above.

If the failure of the medium, in the judgment of **Engineering Software** resulted from accident, abuse or misapplication of the medium, then **Engineering Software** shall have no responsibility to replace the medium under the terms of this warranty.

### **License Agreement**

This software is the property of **Engineering Software** and is protected by federal copyright law. While **Engineering Software** continues to own the software, you will have certain rights to use the software after your acceptance of this license. Your rights and obligations with respect to the use of this software are as follows:

You may:

- use one copy of the software on a single computer,
- make one copy of the software for backup purposes and
- use the software on a network, provided that you have a licensed copy of the software for each computer that can access the software over the network

You may not:

- copy the documentation which accompanies the software,
- sublicense, rent or lease any portion of the software and
- reverse engineer, decompile, disassemble, modify, translate, make any attempt to discover the source code of the software or create derivative works from the software
